Planning Your Trip to Morocco

Best Time to Visit

The optimal time to visit Morocco is during spring (March to May) and fall (September to November). During these months, the weather is mild and pleasant, making it ideal for exploring cities, hiking, and outdoor activities. Summers can be extremely hot, especially in inland areas like Marrakech and the Sahara Desert, while winters may be chilly in the mountains.

Visa Requirements and Entry Tips

Most travelers from the US, EU, and many other countries do not require a visa for stays up to 90 days. However, always check current visa policies before planning your trip. Upon arrival, you'll typically need to fill out a landing card and may be asked about your accommodation and travel plans.
